PROFESSIONAL SUMMARY

Versatile Full-stack Developer with a wealth of expertise in HTML, CSS, JavaScript, PHP, WordPress, and Bootstrap. Committed to delivering seamless user experiences and developing robust web applications. Seeking a dynamic role to leverage my skills and contribute to innovative projects within a collaborative and growth-oriented environment. Dedicated to staying abreast of emerging technologies and employing best practices to deliver high-quality solutions. Eager to bring my proficiency in WordPress and Bootstrap frameworks to further enhance web development capabilities and create cutting-edge digital experiences. Tech-savvy Full Stack Web Developer proficient in fundamental front-end languages and server-side languages. In-depth knowledge of Oracle, MySQL, and MongoDB. Analytical and precise professional with a year of hands-on experience taking charge of front and back-end web development. Skillful in creating servers and databases for functionality and designing and developing APIs. Hardworking collaborator with a track record of superior results.
